

coldsnap presents:

# DAK'ET, SHUN INLI

# 2023

(MUSIC IN THE FALL)

Mattmac was born blind and immersed in a world of music in Garden Hill First Nation in Northern Manitoba. In August 2023, Mattmac was chosen as the grand prize winner of CBC Music's Searchlight contest, meaning this young artist is one to watch! Mattmac continues to set new sonic standards for his self-produced sound and songwriting - pushes the boundaries of genre and what it means to be a multidisciplinary artist.

ZENON+ is a bi-racial singer/songwriter based in Calgary, Alberta. Forging their own path in R&B with sultry tones of jazz, and intentional use of space, ZENON+ creates a musical landscape entirely their own.

Northern BC's very own Wet'suwet'en singer-songwriter has had a busy summer on the Northern BC festival circuit as a trio and brings amazing energy to the stage!

for in-person attendees, please plan to arrive 10 to 15 minutes early so that we can start at 2:00

This event is made possible through generous support of BC Touring Council BCTC

Tonight you're being treated to an exclusive sneak peek at the lineup for Coldsnap 2024!

This will be our 17th annual winter music festival. Prince George venues will soon feature stellar performances covering a range of genres from folk to psychedelic salsa and beyond!

Be sure to mark your calendars and follow us online ([www.coldsnapfestival.com](http://www.coldsnapfestival.com)) and social media (@coldsnapfest) for updates on ticket sales and more artist announcements!

**Empanadas Ilegales** (Vancouver) is a Psychedelic Cumbia & Salsa band that will transport you to a world of contagious groovy melodies and altered sounds.

**Kacy & Clayton** (Wood Mountain, Saskatchewan), is a folk/roots duo of self-described "Cosmic Country" second cousins. Their music features strong harmonies and evocative but sweetly sad melodies.

**Kimberley MacGregor** (Edmonton) is a powerful performer and roots musician who writes music for humans. She unapologetically exposes universal emotions that people tend to conceal.

**Ndidi O** (Los Angeles, born in Burns Lake, BC) is often classified as jazz and blues. Two-time Juno-nominated, she also combines several musical genres in her songs including surf music, electric blues, gospel, and country.

**Sinzere** (Calgary) is a rap/hip-hop artist, who believes music serves as a vessel she uses to inspire people through her cutting-edge lyrics and deep cinematic sound.
