Middle-Raged: The Bloom is Off the Rose

Starring Geri Hall and Gary Pearson, MIDDLE RAGED is a hilarious sketch show, exploring that time of life when you're running out of time! Couples dealing with the madness of childrearing, empty nests, aging parents, financial stresses...and even trying "Outlander" role play to spice up the bedroom!

Song parodies and sketches by Hall (This Hour has 22 Minutes) and Pearson (MadTV), and music by Jeff Rosenthal.

MIDDLE RAGED - when the bloom is off the rose, but the thorns are sharper than ever!!

GERI HALL spent five seasons starring as a roving reporter and anchor on CBC's iconic Canadian satire, *This Hour Has 22 Minutes*, where her hilarious character, Single Female Voter, made national headlines during the 2008 federal election.

Geri got her start at The Second City Toronto, where she performed as a cast member of both The National Touring Company and the legendary Mainstage.

She is the very proud holder of some nice statuettes from the Canadian Comedy Awards, the Writers Guild, and the Gemini Awards. She won the honour of Best Actress at the 2017 Valencia Web Fest for her starring role in Tim Hamilton's *Perverts Anonymous*, which won Best Comedy at The U.K. Webfest. She also won the award for Outstanding Guest Actor in an Interactive Narrative Drama at the 2013 LA Web Fest for her role as Gifted Sarah in *Ruby Skye P.I.*

Watch for her in a very funny and frisky scene as a very, very naughty cop alongside Hayden Christiansen in the feature film, *Little Italy*.

Geri is currently starring in the hilarious new live sketch comedy show, *Middle Raged*, which she co-wrote with her esteemed comedy partner, Gary Pearson.

GARY PEARSON has written for such shows as *MadTV*, *22 Minutes*, *Corner Gas* and the *Ron James Show*. He created and produced *That's So Weird* for YTV and with Dan Redican, co-created, *Sunnyside* for CityTV. He has won the Canadian Screen Award, Canadian Comedy Award and the WGC Award. He toured Canada and the US with *The Chumps*, and was in The Second City Toronto Mainstage company. He has appeared in multiple TV shows including *Sunnyside*, *The Kids in the Hall*, *The Newsroom*, *22 Minutes* and *Baroness Von Sketch*. His 3 novels, including his most recent *Marooned in Space!* are available at Amazon.ca.
